VACANCY NOTICE

The Securities and Exchange Commission of Zimbabwe is inviting applications from suitably qualified and experienced candidates to fill the positions of **Corporate Finance and Policy Interns (x2)** in the Policy and Market Development Department.

Core Competencies:

- Strong analytical, research and problem-solving skills.
- Excellent written and verbal communication skills.
- Ability to analyse financial, economic, policy and capital market information.
- Good understanding of financial markets, regulatory frameworks and emerging trends.
- Attention to detail and ability to work with statistical and financial data.
- Ability to work in a dynamic and highly regulated environment.

Duties and Responsibilities:

- Assist in conducting research and analysis on corporate finance, capital markets, economic and policy developments.
- Support the review and development of policies and regulatory frameworks relating to the capital markets.
- Assist in conducting research on emerging financial products, services and Fintech developments and assess their potential regulatory and market implications.
- Assist in analysing policy announcements and assessing their impact on the Commission's strategic objectives and market development.
- Support the preparation of concept papers, policy briefs, research reports and other analytical documents on topical market and policy issues.
- Assist in collecting, analysing and maintaining statistical and financial data relating to economic and capital market performance.
- Support the identification of market gaps, emerging risks and potential constraints to market operations and development.
- Assist in monitoring domestic, regional and international regulatory, economic and capital market developments and prepare reports on key trends.

Requisite qualifications & experience:

- Currently pursuing a Bachelor's Degree in Finance, Economics, Accounting, Banking and Finance, Financial Engineering, Risk Management, Statistics, Law or an equivalent qualification.
